Rayzors opened their doors in March of 2010 due to the area's high demand for a full service hair and tanning salon. We are located at 17 Mathewson Street, in the former Tripp's Showroom right across from Builders Surplus.

Rayzors stylists, Sarah Driscoll, Jessica Lach, and Maryanne Towne, are continually updating with the latest professional education as well as the latest color and cutting techniques from Paul Mitchell.

Rayzors uses Paul Mitchell color as well as Paul Mitchell styling products, Bed Head, Rockaholic, and Back to Basics.

Rayzors has two new tanning beds including a 12 minute high-powered standup tanning booth. Tanning packages are available:

Monthly,	10 sessions
Unlimited,	20 sessions
5 sessions	

Rayzors carries numerous tanning products such as Australian Gold, Emerald Bay and California Tan. Samples are available.
